Defendant.)	

Pro se Plaintiff Dwight Egbert filed this action under the Americans with Disabilities Act, 42 U.S.C. § 12132, and 42 U.S.C. § 1983. The pleading contains very few facts. He simply states that he was treated unfairly in his employment due to his disability and was forced to resign. He seeks monetary damages for emotional distress, litigation expenses, and punitive damages.

Plaintiff is notified that, as written, his Complaint may be subject to dismissal for failure to state a claim upon which relief may be granted. He shall have thirty (30) days from the date of this Order to amend his Complaint to set forth a cognizable claim for relief. Plaintiff is further notified that if a legally sufficient amended Complaint is not filed within the time period specified in this Order, this action may be dismissed. *Catz v. Chalker*, 142 F.3d 279 (6th Cir. 1998); *Tingler v. Marshall*, 716 F.2d 1109, 1112 (6th Cir. 1983).

In addition, Plaintiff paid the full filing fee for this action. He therefore is responsible to secure service of process on the Defendant in accordance with Federal Civil Procedure Rule 4. To do this, he must provide the Court with two completed Summonses for each Defendant. The Court will then complete its portion of the form and issue them to Plaintiff to include with the copy of the Complaint that is served on the Defendant. Plaintiff has not provided the Court with completed Summonses. He is directed to provide completed Summonses with the Court within thirty (30) days.

IT IS SO ORDERED.
